The next season,
when you see the geese migrating,
going to a warmer place,
to sort the winter...

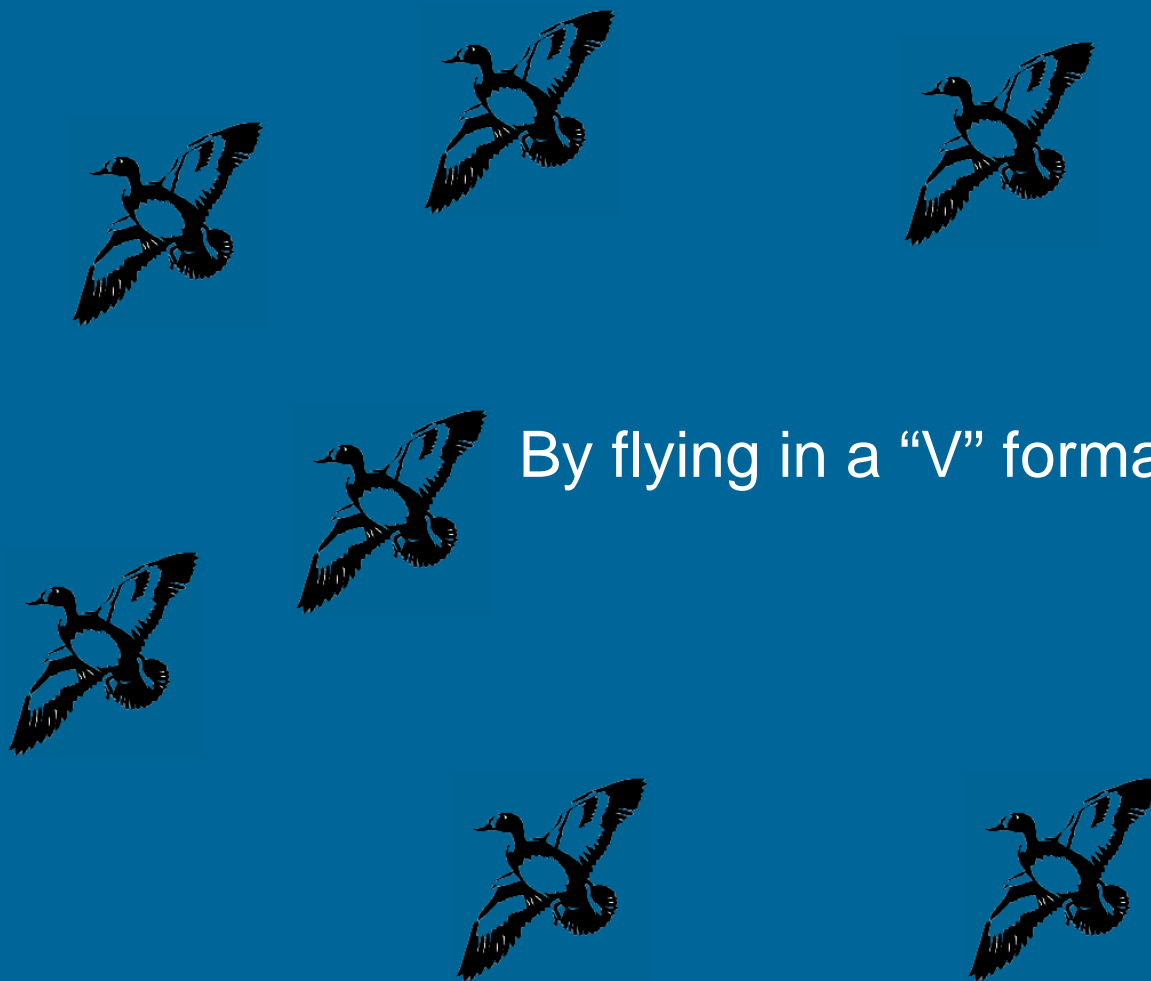

Pay attention that they fly in a “V” formation
Maybe you will be interested in knowing

the formation...

REACH

Other geese leave the formation too,
and they fly with him to help him out
and protect him.
They remain with him
until he dies
or he is able to fly again.
They reach their bevy
or they just make another "V" formation.

Lesson 5:

Let's stay
beside each other
no matter what the differences.

Specially in times of difficulty
and great challenges..

REACH

If we bond together and support
each other..

If we make true the spirit of
teamwork..

Regardless of our differences, we
can rise to meet our challenge.

If we understand the real value of
friendship..

If we are aware of the feeling of
sharing..

LIFE WILL BE EASIER
AND THE PASSING OF YEARS
MORE FULFILLING ..
